Claims 1-22 are pending in the application. In the Amendment, the specification is amended to conform the brief description of the drawings to Figs. 1 and 2 and page 14, lines 10-23.

Attached hereto is a Request for Approval of Drawing Corrections, with the proposed corrections to Figs. 1 and 11 denoted in red manuscript. The proposed correction to Fig. 11 is supported by the specification, as originally filed, at page 40, lines 9-11. The proposed correction to Fig. 1 corrects a minor informality. The Examiner is requested to kindly acknowledge receipt of the proposed drawing corrections and to indicate approval in the next patent office paper.

The Examiner is respectfully requested to enter the Amendment Under 37 C.F.R. §1.312, which correct minor informalities in the specification and the drawing figures. Applicants remind the Examiner that similar corrections to copending application, Serial No. 08/266,751 were discussed with the Examiner and approved during a several

telephone conferences conducted the week of October 16, 1995. In light of the amendments and remarks presented above, it is respectfully submitted that the application remains in condition for allowance.

If any points remain in issue which the Examiner feels may best be resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

Respectfully submitted,
